

Specification

Technical Data Sheet

Product Name	1-Heptanesulfonic acid sodium salt monohydrate for HPLC
---------------------	---

Product No	90028696
-------------------	----------

CAS Number	207300-90-1
-------------------	-------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	220.26
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

Loss on Drying	$\leq 7.5 - 8.5\%$
-----------------------	--------------------

Assay	$\geq 99.0\%$
--------------	---------------

UV 250nm	$\geq 98.0\%$
-----------------	---------------

Identification (IR)	Conforms to structure
----------------------------	-----------------------

UV 200nm	$\geq 70.0\%$
-----------------	---------------

UV 220nm	$\geq 90.0\%$
-----------------	---------------
