

# Specification

## Technical Data Sheet

|                     |                               |
|---------------------|-------------------------------|
| <b>Product Name</b> | Chlormethiazole hydrochloride |
|---------------------|-------------------------------|

|                   |          |
|-------------------|----------|
| <b>Product No</b> | 90028750 |
|-------------------|----------|

|                   |           |
|-------------------|-----------|
| <b>CAS Number</b> | 6001-74-7 |
|-------------------|-----------|

|                            |         |
|----------------------------|---------|
| <b>Storage Temperature</b> | Ambient |
|----------------------------|---------|

|                         |        |
|-------------------------|--------|
| <b>Molecular Weight</b> | 198.11 |
|-------------------------|--------|

### Specification

|                   |                    |
|-------------------|--------------------|
| <b>Appearance</b> | Crystalline powder |
|-------------------|--------------------|
