

Specification

Technical Data Sheet

Product Name	Naphthol AS-TR phosphate disodium salt
---------------------	----------------------------------------

Product No	90028780
-------------------	----------

CAS Number	4264-93-1
-------------------	-----------

Storage Temperature	-15 to -20 °C
----------------------------	---------------

Molecular Weight	435.71
-------------------------	--------

Specification

Appearance	White to off white powder
-------------------	---------------------------

Purity (HPLC)	99% min
----------------------	---------

Solvent (HPLC)	1% max
-----------------------	--------

Water Content (KF)	20% max
---------------------------	---------

IR/HMR Spectrum	confirm
------------------------	---------

Solubility, 1% Water	Clear, colourless to light yellow
-----------------------------	-----------------------------------
