

Specification

Technical Data Sheet

Product Name	Samarium, 99.9%, 20 to 40 Mesh
---------------------	--------------------------------

Product No	90028824
-------------------	----------

CAS Number	7440-19-9
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	150.36
-------------------------	--------

Specification

Appearance	Powder or filings
-------------------	-------------------

Particle Size	20-40 mesh
----------------------	------------

Total trace metal impurities	≤0.1%
-------------------------------------	-------
