

# Specification

## Technical Data Sheet

<b>Product Name</b>	Manganese(II) nitrate tetrahydrate
---------------------	------------------------------------

<b>Product No</b>	90028912
-------------------	----------

<b>CAS Number</b>	20694-39-7
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	251.01
-------------------------	--------

### Specification

<b>Assay</b>	$\geq 98.0\%$
--------------	---------------

<b>Chloride (Cl)</b>	$\leq 10\text{ppm}$
----------------------	---------------------

<b>Iron (Fe)</b>	$\leq 10\text{ppm}$
------------------	---------------------

<b>Copper (Cu)</b>	$\leq 10\text{ppm}$
--------------------	---------------------

<b>Nickel (Ni)</b>	$\leq 10\text{ppm}$
--------------------	---------------------

<b>Sodium (Na)</b>	$\leq 50\text{ppm}$
--------------------	---------------------
