

Specification

Technical Data Sheet

Product Name	Iron(II) tetrafluoroborate hexahydrate
---------------------	--

Product No	90028983
-------------------	----------

CAS Number	13877-16-2
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	337.55
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------

Assay/Purity	≥ 97.0%
---------------------	---------
