

# Specification

## Technical Data Sheet

<b>Product Name</b>	Physostigmine salicylate
---------------------	--------------------------

<b>Product No</b>	90028987
-------------------	----------

<b>CAS Number</b>	57-64-7
-------------------	---------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	413.5
-------------------------	-------

### Specification

<b>Appearance</b>	White or white crystalline powder
-------------------	-----------------------------------

<b>Heavy metals</b>	≤20ppm
---------------------	--------

<b>Identification</b>	HNMR
-----------------------	------

<b>Loss on Drying</b>	≤1.0%
-----------------------	-------

<b>Purity (HPLC)</b>	≥98.0%
----------------------	--------

<b>Residue on ignition</b>	≤0.2%
----------------------------	-------
