

# Specification

## Technical Data Sheet

<b>Product Name</b>	Methylamine 30% w/w in Ethanol
---------------------	--------------------------------

<b>Product No</b>	90029048
-------------------	----------

<b>CAS Number</b>	74-89-5
-------------------	---------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	31.06
-------------------------	-------

### Specification

<b>Appearance</b>	Clear colourless liquid
-------------------	-------------------------

<b>Assay (Titration)</b>	30-33% (w/w)
--------------------------	--------------
