

Specification

Technical Data Sheet

Product Name	6-Chlorohexanoic acid
---------------------	-----------------------

Product No	90029129
-------------------	----------

CAS Number	4224-62-8
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	150.60
-------------------------	--------

Specification

Appearance	Yellow crystalline solid, or yellow liquid
-------------------	--

Assay	95% min
--------------	---------

Form	Low melt - MP 26.C
-------------	--------------------
