

Specification

Technical Data Sheet

Product Name	PIPES sesquisodium salt
---------------------	-------------------------

Product No	90029397
-------------------	----------

CAS Number	100037-69-2
-------------------	-------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	335.34
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

pH	6.5 - 7.1
-----------	-----------

Assay	≥99.0%
--------------	--------

Water Content	≤3.0%
----------------------	-------
