

Specification

Technical Data Sheet

Product Name	Hydrogen Chloride 1M in Ethyl acetate
---------------------	---------------------------------------

Product No	90029457
-------------------	----------

CAS Number	7647-01-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	36.45
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Assay (Titration)	0.95 - 1.15M
--------------------------	--------------

Manufacture date	DD/MM/YYYY
-------------------------	------------
