

# Specification

## Technical Data Sheet

<b>Product Name</b>	N-Methylacetamide
---------------------	-------------------

<b>Product No</b>	90029615
-------------------	----------

<b>CAS Number</b>	79-16-3
-------------------	---------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	73.09
-------------------------	-------

### Specification

<b>Appearance</b>	Colourless to yellow solid or liquid
-------------------	--------------------------------------

<b>Purity (GC)</b>	≥99.0%
--------------------	--------
