

Specification

Technical Data Sheet

Product Name	1-Octyl-2-pyrrolidone
---------------------	-----------------------

Product No	90029663
-------------------	----------

CAS Number	2687-94-7
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	197.32
-------------------------	--------

Specification

Appearance	Liquid
-------------------	--------

Water	max 0.5%
--------------	----------

Assay	min 99.0%
--------------	-----------
