

Specification

Technical Data Sheet

Product Name	Methyl isobutyl catechol
---------------------	--------------------------

Product No	90029836
-------------------	----------

CAS Number	108-11-2
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	102.17
-------------------------	--------

Specification

Appearance	Liquid
-------------------	--------

Identification	Conforms to reference
-----------------------	-----------------------
