

Specification

Technical Data Sheet

Product Name	Boron trichloride 1M in Toluene
---------------------	---------------------------------

Product No	90029839
-------------------	----------

CAS Number	10294-34-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	117.16
-------------------------	--------

Specification

Appearance	Clear colourless to yellow liquid
-------------------	-----------------------------------

Assay	0.95-1.10M
--------------	------------
