

Specification

Technical Data Sheet

Product Name	Trimethylamine 40% w/w aqueous solution
---------------------	---

Product No	90029853
-------------------	----------

CAS Number	75-50-3
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	59.11
-------------------------	-------

Specification

Appearance	Clear colourless solution
-------------------	---------------------------

Assay	38-42%
--------------	--------
