

Specification

Technical Data Sheet

Product Name	Vinylmagnesium bromide 1M in THF
---------------------	----------------------------------

Product No	90029914
-------------------	----------

CAS Number	1826-67-1
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	131.25
-------------------------	--------

Specification

Appearance	Brown to grey to black solution
-------------------	---------------------------------

Assay	0.95-1.10M
--------------	------------
