

Specification

Technical Data Sheet

Product Name	1-Propanol
---------------------	------------

Product No	90030080
-------------------	----------

CAS Number	71-23-8
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	60.10
-------------------------	-------

Specification

Appearance	Clear & colourless
-------------------	--------------------

Colour (Pt-Co)	≤5
-----------------------	----

Water	≤0.1%
--------------	-------

Purity	≥99.8%
---------------	--------

Acidity(as acetic acid)	≤0.003%
--------------------------------	---------

Density @ 20 Deg C	0.803 - 0.806 g/cm ³
---------------------------	---------------------------------
