

# Specification

## Technical Data Sheet

<b>Product Name</b>	3,5-Diaminobenzoic acid
---------------------	-------------------------

<b>Product No</b>	90030180
-------------------	----------

<b>CAS Number</b>	535-87-5
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	152.15
-------------------------	--------

### Specification

<b>Appearance</b>	Grey powder
-------------------	-------------

<b>Melting Point</b>	235-240°C
----------------------	-----------

<b>Water</b>	0.5%
--------------	------

<b>Assay</b>	≥98.0%
--------------	--------
