

# Specification

## Technical Data Sheet

<b>Product Name</b>	2-Amino-2-ethyl-1,3-propanediol
---------------------	---------------------------------

<b>Product No</b>	90030344
-------------------	----------

<b>CAS Number</b>	115-70-8
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	119.16
-------------------------	--------

### Specification

<b>Appearance</b>	Yellow viscous liquid
-------------------	-----------------------

<b>Water</b>	$\leq 0.5\%$
--------------	--------------

<b>Purity</b>	$\geq 98\%$
---------------	-------------
