

# Specification

## Technical Data Sheet

<b>Product Name</b>	Phenyl isocyanate
---------------------	-------------------

<b>Product No</b>	90030616
-------------------	----------

<b>CAS Number</b>	103-71-9
-------------------	----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	119.12
-------------------------	--------

### Specification

<b>Appearance</b>	Colourless to slightly yellowish liquid
-------------------	---

<b>Content of other Isocyanates (GC)</b>	≤ 2.0%
--	--------

<b>Content of Phenylisocyanate (GC)</b>	≥ 98%
---	-------

<b>Content of Toluene (GC)</b>	≤ 1.0%
--------------------------------	--------
