

# Specification

## Technical Data Sheet

<b>Product Name</b>	Silver nitrate, 0.1M in aq. solution
---------------------	--------------------------------------

<b>Product No</b>	90030771
-------------------	----------

<b>CAS Number</b>	7761-88-8
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	169.87
-------------------------	--------

### Specification

<b>Appearance</b>	Clear liquid
-------------------	--------------

<b>Assay</b>	$\geq 0.998$ to $\leq 0.1002$
--------------	-------------------------------
