

# Specification

## Technical Data Sheet

<b>Product Name</b>	Methyl myristate
---------------------	------------------

<b>Product No</b>	90030780
-------------------	----------

<b>CAS Number</b>	124-10-7
-------------------	----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	242.40
-------------------------	--------

### Specification

<b>Appearance</b>	Colourless liquid or White waxy solid
-------------------	---------------------------------------

<b>Refractive Index</b>	1.436 - 1.438
-------------------------	---------------

<b>Purity</b>	98 - 100%
---------------	-----------

<b>Water Content (KF)</b>	0 - 1%
---------------------------	--------
