

# Specification

## Technical Data Sheet

<b>Product Name</b>	Sodium metaborate tetrahydrate
---------------------	--------------------------------

<b>Product No</b>	90031890
-------------------	----------

<b>CAS Number</b>	10555-76-7
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	137.86
-------------------------	--------

### Specification

<b>Appearance</b>	Solid
-------------------	-------
