

# Specification

## Technical Data Sheet

<b>Product Name</b>	Iodine trichloride
---------------------	--------------------

<b>Product No</b>	90032063
-------------------	----------

<b>CAS Number</b>	865-44-1
-------------------	----------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	233.26
-------------------------	--------

### Specification

<b>Appearance</b>	Orange to red powder
-------------------	----------------------

<b>Assay (Titration)</b>	≥ 96.5%
--------------------------	---------
