

# Specification

## Technical Data Sheet

<b>Product Name</b>	Dimethyl sulfoxide - (DMSO)
---------------------	-----------------------------

<b>Product No</b>	90032283
-------------------	----------

<b>CAS Number</b>	67-68-5
-------------------	---------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	78.13
-------------------------	-------

### Specification

<b>Appearance</b>	Clear colourless liquid
-------------------	-------------------------

<b>Refractive Index</b>	1.470-1.480
-------------------------	-------------

<b>Acidity</b>	$\leq 0.05\text{mg KOH/g}$
----------------	----------------------------

<b>Colour</b>	$\leq 30$ APHA
---------------	----------------

<b>Crystallization point</b>	$\geq 18.1^{\circ}\text{C}$
------------------------------	-----------------------------

<b>For research use only, not for human use</b>	For research use only, not for human use
---	--

## Specification

---

**Purity**  $\geq 99.5\%$

---

**Water Content**  $\leq 0.1\%$

---
