

Specification

Technical Data Sheet

Product Name	Ammonium iodide
---------------------	-----------------

Product No	90032344
-------------------	----------

CAS Number	12027-06-4
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	144.943
-------------------------	---------

Specification

Appearance	Colourless liquid
-------------------	-------------------

Identification	Conforms to reference
-----------------------	-----------------------
