

# Specification

## Technical Data Sheet

<b>Product Name</b>	3-Hydroxy-4-methoxyphenethylamine HCl
---------------------	---------------------------------------

<b>Product No</b>	90032513
-------------------	----------

<b>CAS Number</b>	645-33-0
-------------------	----------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	203.67
-------------------------	--------

### Specification

<b>Appearance</b>	Solid
-------------------	-------

<b>Purity</b>	96.5-103.5 ( % )
---------------	------------------
