

Specification

Technical Data Sheet

Product Name	Calcium oxalate monohydrate
---------------------	-----------------------------

Product No	90032779
-------------------	----------

CAS Number	5794-28-5
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	146.11
-------------------------	--------

Specification

Appearance	light grey powder
-------------------	-------------------
