

# Specification

## Technical Data Sheet

<b>Product Name</b>	Sodium taurodeoxycholate hydrate
---------------------	----------------------------------

<b>Product No</b>	90032823
-------------------	----------

<b>CAS Number</b>	207737-97-1
-------------------	-------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	521.69
-------------------------	--------

### Specification

<b>Appearance</b>	White powder
-------------------	--------------

<b>Heavy metals</b>	$\leq 20\text{ppm}$
---------------------	---------------------

<b>Loss on Drying</b>	$\leq 8.0\%$
-----------------------	--------------

<b>Assay</b>	$\geq 97.0\%$
--------------	---------------

<b>Colour of Solution</b>	Colourless to light yellow liquid
---------------------------	-----------------------------------
