

Specification

Technical Data Sheet

Product Name	beta-Cyclodextrin hydrate
---------------------	---------------------------

Product No	90032942
-------------------	----------

CAS Number	68168-23-0
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	1134.98
-------------------------	---------

Specification

Appearance	Solid
-------------------	-------
