

Specification

Technical Data Sheet

Product Name	Docosanoic acid 85%
---------------------	---------------------

Product No	90033000
-------------------	----------

CAS Number	112-85-6
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	340.58
-------------------------	--------

Specification

Appearance	White to off-white powder
-------------------	---------------------------

Acid Value	157 - 170 mgKOH/g
-------------------	-------------------

Assay	≥ 85%
--------------	-------

Iodine value	≤ 2.0g I ₂ /100g
---------------------	-----------------------------

Colour (hazen)	≤ 200
-----------------------	-------

Identification (IR)	Conforms to Reference
----------------------------	-----------------------
