

Specification

Technical Data Sheet

Product Name	Sodium D-lactate
---------------------	------------------

Product No	90033280
-------------------	----------

CAS Number	920-49-0
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	112.06
-------------------------	--------

Specification

Appearance	White to Off-white powder
-------------------	---------------------------
