

Specification

Technical Data Sheet

Product Name	syn-2-Pyridinealdoxime
---------------------	------------------------

Product No	90033282
-------------------	----------

CAS Number	1193-96-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	122.12
-------------------------	--------

Specification

Appearance	White crystalline solid
-------------------	-------------------------

Identification	Conforms to reference
-----------------------	-----------------------
