

Specification

Technical Data Sheet

Product Name	3-Amino-1-propanol
---------------------	--------------------

Product No	90033283
-------------------	----------

CAS Number	156-87-6
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	75.11
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Refractive Index	1.4595 - 1.4625 @ 20°C
-------------------------	------------------------

Identification (IR)	Conforms to Reference
----------------------------	-----------------------
