

# Specification

## Technical Data Sheet

<b>Product Name</b>	Copper(II) tartrate hydrate
---------------------	-----------------------------

<b>Product No</b>	90033292
-------------------	----------

<b>CAS Number</b>	946843-80-7
-------------------	-------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	211.62
-------------------------	--------

### Specification

<b>Appearance</b>	Solid
-------------------	-------
