

Specification

Technical Data Sheet

Product Name	Methyl benzoate
---------------------	-----------------

Product No	90033398
-------------------	----------

CAS Number	93-58-3
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	136.15
-------------------------	--------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Assay	≥99.0%
--------------	--------

Identifications	Conforms to IR spectrum
------------------------	-------------------------
