

Specification

Technical Data Sheet

| | |
|---------------------|----------------------------------|
| Product Name | Lead (II) perchlorate trihydrate |
|---------------------|----------------------------------|

| | |
|-------------------|----------|
| Product No | 90033399 |
|-------------------|----------|

| | |
|-------------------|------------|
| CAS Number | 13453-62-8 |
|-------------------|------------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 460.15 |
|-------------------------|--------|

Specification

| | |
|-------------------|-------------------------|
| Appearance | White Crystalline solid |
|-------------------|-------------------------|
