

Specification

Technical Data Sheet

Product Name	Magnesium perchlorate hydrate
---------------------	-------------------------------

Product No	90033400
-------------------	----------

CAS Number	64010-42-0
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	223.21 (Anhydrous)
-------------------------	--------------------

Specification

Appearance	White crystals
-------------------	----------------

Purity	≥98%
---------------	------
