

Specification

Technical Data Sheet

Product Name	Methyl decanoate
---------------------	------------------

Product No	90033401
-------------------	----------

CAS Number	110-42-9
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	186.29
-------------------------	--------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Refractive Index	1.4240 - 1.4270 @ 20°C
-------------------------	------------------------

Identification (IR)	Conforms to Reference
----------------------------	-----------------------
