

Specification

Technical Data Sheet

Product Name	Methyl laurate
---------------------	----------------

Product No	90033403
-------------------	----------

CAS Number	111-82-0
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	214.34
-------------------------	--------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Refractive Index	1.4290 - 1.4340 @ 20°C
-------------------------	------------------------

Identification (IR)	Conforms to Reference
----------------------------	-----------------------
