

# Specification

## Technical Data Sheet

<b>Product Name</b>	Iodine 0.1 N standard solution
---------------------	--------------------------------

<b>Product No</b>	90033447
-------------------	----------

<b>CAS Number</b>	7553-56-2
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	253.81
-------------------------	--------

### Specification

<b>Appearance</b>	Dark brown liquid
-------------------	-------------------

<b>Factor</b>	$\geq 0.999 - \leq 1.001$
---------------	---------------------------
