

# Specification

## Technical Data Sheet

<b>Product Name</b>	Phenylhydrazine hydrochloride
---------------------	-------------------------------

<b>Product No</b>	90033456
-------------------	----------

<b>CAS Number</b>	59-88-1
-------------------	---------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	144.60
-------------------------	--------

### Specification

<b>Appearance</b>	White to beige powder
-------------------	-----------------------

<b>Identification (RAMAN)</b>	Conforms to Reference
-------------------------------	-----------------------
