|                          |                |
|--------------------------|----------------|
| <b>Product number</b>    | 90033812       |
| <b>CAS number</b>        | 581809-46-3    |
| <b>Molecular formula</b> | C18H12Cl2F3N3O |
| <b>Molecular weight</b>  | 414.21 g/mol   |

**PARAMETER****SPECIFICATION**

|                       |                             |
|-----------------------|-----------------------------|
| <b>Appearance</b>     | Class white or white powder |
| <b>Assay</b>          | ≥97.0%                      |
| <b>Drying loss</b>    | ≤0.5%                       |
| <b>Identification</b> | Conforms to reference       |

|                                |                                                                                                                                                                                                                   |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>SPECIFICATION STATEMENT</b> | The values stated above represent the standard specification for this product, issued under <b>Molekula Ltd</b> 's quality management system. Batch-specific results are provided on the Certificate of Analysis. |
| <b>STORAGE</b>                 | Store as indicated on the product label, away from light, moisture and incompatible materials.                                                                                                                    |

**Molekula Ltd** would like to thank you for your support of our products and service.
