

Specification

Technical Data Sheet

Product Name	1-Methyl-2-pyrrolidinone for GC
---------------------	---------------------------------

Product No	90033867
-------------------	----------

CAS Number	872-50-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	99.13
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Purity	≥99.70%
---------------	---------

Water Content	<0.1000%
----------------------	----------
