

Specification

Technical Data Sheet

Product Name	2-Hydroxy-3-methylbutyric acid
---------------------	--------------------------------

Product No	90034033
-------------------	----------

CAS Number	4026-18-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	118.13
-------------------------	--------

Specification

Appearance	White powder or crystals
-------------------	--------------------------

IR spectrum	Confirms to structure
--------------------	-----------------------

Purity	≥ 98.5 %
---------------	----------
