**PRODUCT****Naloxone - USP CRS**

|                          |              |
|--------------------------|--------------|
| <b>Product number</b>    | 90034180     |
| <b>CAS number</b>        | 465-65-6     |
| <b>Molecular formula</b> | C19H21NO4    |
| <b>Molecular weight</b>  | 327.37 g/mol |

**PARAMETER****SPECIFICATION**

|                   |                           |
|-------------------|---------------------------|
| <b>Appearance</b> | White to off-white powder |
|-------------------|---------------------------|

|                   |                           |
|-------------------|---------------------------|
| <b>Conclusion</b> | Conforms to USP monograph |
|-------------------|---------------------------|

|                                |                                                                                                                                                                                                                   |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>SPECIFICATION STATEMENT</b> | The values stated above represent the standard specification for this product, issued under <b>Molekula Ltd</b> 's quality management system. Batch-specific results are provided on the Certificate of Analysis. |
| <b>STORAGE</b>                 | Store as indicated on the product label, away from light, moisture and incompatible materials.                                                                                                                    |

**Molekula Ltd** would like to thank you for your support of our products and service.
