

Specification

Technical Data Sheet

Product Name	Isopropanol GC grade
---------------------	----------------------

Product No	90034422
-------------------	----------

CAS Number	67-63-0
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	60.10
-------------------------	-------

Specification

Appearance	Clear, colourless liquid
-------------------	--------------------------

Purity	≥99.90%
---------------	---------

Water Content	≤0.05%
----------------------	--------
