

Specification

Technical Data Sheet

Product Name	Sodium hypochlorite 10% solution
---------------------	----------------------------------

Product No	90034423
-------------------	----------

CAS Number	7681-52-9
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	74.44
-------------------------	-------

Specification

Appearance	Clear to pale yellow to pale green liquid
-------------------	---

Density (20C)	1.15 Kg/ltr min
----------------------	-----------------
