**PRODUCT****Monomethyl maleate**

|                          |              |
|--------------------------|--------------|
| <b>Product number</b>    | 90034719     |
| <b>CAS number</b>        | 3052-50-4    |
| <b>Molecular formula</b> | C5H6O4       |
| <b>Molecular weight</b>  | 130.10 g/mol |

| PARAMETER                   | SPECIFICATION                                           |
|-----------------------------|---------------------------------------------------------|
| <b>Appearance</b>           | Colourless to light yellow to light orange clear liquid |
| <b>Purity (GC)</b>          | ≥90.0%                                                  |
| <b>Identification (NMR)</b> | Conforms to structure                                   |

|                                |                                                                                                                                                                                                                   |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>SPECIFICATION STATEMENT</b> | The values stated above represent the standard specification for this product, issued under <b>Molekula Ltd</b> 's quality management system. Batch-specific results are provided on the Certificate of Analysis. |
| <b>STORAGE</b>                 | Store as indicated on the product label, away from light, moisture and incompatible materials.                                                                                                                    |

Molekula Ltd would like to thank you for your support of our products and service.
